

Jamie Leviner

Software Engineer
Born 1980 in Florence, SC

About me

For the past 5 years, I have worked as a full stack software engineer with a concentration on front-end architecture, frameworks, and tooling. I am strongly interested in becoming part of a development culture that improves and enables its people, and I am looking forward to facing some new challenges.

Also proficient in Adobe Photoshop and Illustrator, grew up bilingual (English and Klingon).
